

*Marino & Marko Rossi
4th & 5th generation*

Rossi winery

The family has been nourishing the tradition of winemaking since 1885. Today, on 44 acres of carefully nurtured vineyards situated on hill tops and best locations, the Rossis grow some of the finest grapes in Istria.

Their passion for wine making and search for perfection brought them international recognition and established Rossis as one of the most respected vintners in Istria.

Discover Rossi's authentic wines and traditional Istrian spirits of uncompromising quality as well as innovative cocktails and other Istrian specialities directly at the source.

Immersive tasting experience

Immersive Tasting Experience offers a comprehensive insight into philosophy behind the Rossi's approach to winemaking. It includes an introduction to the Rossi Family Winery & Distillery, a tour through the winery's outdoor and indoor spaces, and a detailed tour through the wine cellar and distillery, explaining the phases and intricacies of their award-winning production process.

The experience ends with the tasting of ten of Rossi's finest and most representative wines, as well as Šovran XO, a special brandy from indigenous Istrian grape varieties, made and aged in the manner of the most prestigious French cognacs. Tastings will be accompanied by traditional Istrian cold plate with homemade products. The program is exclusive and limited to max eight persons. The tour and the tastings will be personally guided by a winemaker of the fifth generation of the Rossi family vintners.

Adults. 100 € per person
